Description of Project

In signing this application, you agree to the following;

All mechanical installation must comply with State Building Code.

The Town of Rye and its employees have the right to enter this property to perform any required inspections.

It's the owner's and owner's representatives' responsibility to comply with all local, state and federal regulations, codes, and ordinances. While the Town of Rye and its employees do plan review and inspections, nothing relieves the owner from this responsibility. If signed by someone other than the owner it is understood that the owner is still responsible for complying with all local, state, and federal regulations, codes, and ordinances.
