1. Review of vendors; Dragon Activity/Swamp email

The Commissioners reviewed the activity report from Dragon Mosquito Control. They also received an email from Michael Morrison from Swamp, Inc. asking to speak with the Commission. Chair Sanborn confirmed that he sent a response to Mr. Morrison telling him to give him a call; however, there has been no contact. Chair Sanborn noted that Mr. Morrison continues to say that Swamp has new, innovative employees that Rye should consider. The Mosquito Control Commission has been open to speaking with Swamp Inc in the past, but has not had any follow up from them. The Commission agreed.
